

# BACKPACKER

Featuring PACKLOCK...The first Swiss Army Knife with a locking blade.

Introducing the all new BACKPACKER® Series of Original Precise/Wenger Swiss Army Knives. Designed for the American backpacker, they are engineered with a new, easy-to-work locking blade for even greater safety, plus compact versatility and the "most wanted" blades. Another "first again" innovation in Swiss Army Knife design by Precise/Wenger.

All six BACKPACKER® Series models carry the distinctive silver embossed backpacker logo on the red handle and feature our new, "Packlock" blade.

Precise/Wenger...the FIRST Swiss Army Knives good enough to carry a lifetime guarantee...now the first and only original Swiss Army Knife with Packlock.
